

ENGLEWOOD FIELD CLUB OUTDOOR HOCKEY

October - March
Youth

On an outdoor rink, equipped with new boards, EFC Hockey is one of the best winter sports programs in northern New Jersey. Our hockey program is open to both members and non-members. We compete in a travel league with teams from 8U to 14U in the Country Club League. We also field an independent 17U team. We stress skill development, team contribution, and sportsmanship.

Our travel team program offers:

- **Pre-season Training:** practices, clinics, and games at Mackay starting in October
- **Weekly Practices:** at least two practice sessions per week during the regular season
- **Weekly Skills Clinics:** all players can attend weekly power skating and stick handling clinics
- **Regular Season Games:** EFC teams play approximately 20 local games (league and non-league) throughout the regular season (usually 2 per weekend). 17U play 1 home game per weekend.
- **Tournaments:** 8U-14U teams participate in at least one away tournament
- **Gear:** each new player will receive home and away team jerseys, matching hockey socks, and a personalized warm-up suit

2020-2021 TEAMS
